Tourism trends and sustainability

Mapping sustainable travel destinations

Tourism Trends and Sustainability

To analyse and visualise the impact of tourism on economies and environments, highlighting the balance (or lack thereof) between tourism growth and sustainability efforts (2004-2022)

Tourism

Analysis of flux and revenue

Sustainability

Indicators for sustainable tourism

Final Graduation Project in Data Analysis at Spiced Academy
A project by Argitxu Etchebarne

Methodology

Tourism Indicators

Intbound Tourism:
Tourists Arrival
Tourims Receipts, Revenue

Outbound Tourims:
Tourists Departure

Tourism Industry:
Accommodation for visitors in hotels
and similar establishments
